

PROJECT PHYSIQUE(TM)

30 DAYS FAT LOSS

PREMIUM NUTRITION PROGRAMME

30-day meal plan / 80 nutrition-verified recipes

Shopping lists, progress tools and real UK ingredients

PREMIUM EDITORIAL SYSTEM / UK ENGLISH / CoFID-ALIGNED

THE RECIPE COLLECTION

Eighty ways to make consistency taste better

High-protein food, realistic shopping and repeatable progress.

BREAKFAST / LUNCH / DINNER

Important Information

Copyright

Copyright © 2026 Project Physique™. All rights reserved. This publication may not be reproduced, distributed or transmitted without prior written permission, except for brief quotations permitted by law.

Health and nutrition disclaimer

This programme provides general educational information and is not individual medical or dietetic advice. Nutritional needs vary. Consult an appropriately qualified professional before material dietary change if you are pregnant, under 18, managing a medical condition, taking prescribed medication or have a history of disordered eating.

Food safety and allergens

Allergen notes are screening aids only. Always check current packaging and avoid cross-contamination according to your needs. Chill cooked food promptly, keep the refrigerator at 5°C or below and cook animal products thoroughly.

Contents

Start strong · pages 6–8

30-Day Success Guide, Nutrition Basics and the UK Shopping System.

Plan and shop · pages 9–26

Five weekly meal-plan pages, five consolidated shopping lists and four practical recipe indexes.

Cook · pages 27–106

Eighty photo-led recipes with complete macros, ingredients, method, meal prep and recipe-specific editorial guidance.

Track and continue · pages 107–108

30-Day Progress Tracker and Frequently Asked Questions.

MADE FOR CONSISTENCY

About Project Physique™

Our purpose

Project Physique™ creates practical nutrition systems that turn a goal into repeatable daily action. This programme is designed around familiar UK ingredients, clear portions and meals people can cook again.

How to use this book

Follow the suggested 30-day rhythm or swap within the same meal category. Use the stated serving as your baseline, keep calorie-dense ingredients measured and repeat the recipes that make consistency easier.

Production standard

Recipe nutrition is aligned to the McCance and Widdowson Composition of Foods Integrated Dataset 2021. Documented proxy decisions remain in the internal Nutrition Lock record rather than interrupting the reader experience.

START HERE

Your 30-Day Success Guide

The simple system

Choose three planned meals each day, repeat favourites, shop from a written list and review the trend once a week—not after every meal.

Five success rules

Plan tomorrow before today ends. Measure calorie-dense ingredients. Keep a protein-led emergency meal ready. Compare weekly averages under similar conditions. If progress stalls for two weeks, review portions and adherence before making a large change.

Weekly rhythm

Friday: choose recipes and check supplies. Saturday: shop. Sunday: batch-cook one protein, one starch and one tray of vegetables. Midweek: top up fresh produce. Weekend: record progress and one lesson.

Nutrition Basics

Energy and protein

Fat loss requires a sustained energy deficit, while protein supports muscle retention and makes meals more satisfying. Nutrition values are per stated serving.

Fibre, carbohydrate and fat

Increase fibre gradually and drink enough fluid. Carbohydrate is useful fuel; portion it to the recipe and your needs. Measure oils, dressings, nuts and seeds.

Safety

This book provides general education, not individual medical advice. Speak with a GP or registered dietitian if pregnant, under 18, managing a medical condition, taking appetite or glucose medication, or with a history of disordered eating.

UK Shopping System

Use any supermarket

The system is supermarket-neutral and works at Tesco, Aldi, Lidl, Asda, Sainsbury's, Morrisons and online grocers. Compare the nutrition panel, not the brand name.

Shop in this order

Produce; protein; carbohydrates; flavour builders; frozen and cupboard backup. Check your freezer, fridge and cupboards before leaving.

Reduce waste

Plan overlapping ingredients, freeze spare portions promptly, use delicate produce first and keep one flexible leftovers meal each week.

YOUR PROGRAMME

Week 1 · Day 1–7

A complete daily rhythm; swap within the same meal category when useful.

DAY	BREAKFAST	LUNCH	DINNER
1	PP-R001 High-Protein Blueberry Overnight Oats	PP-R005 Mediterranean Chicken Couscous Bowl	PP-R002 Lemon & Herb Chicken with Roasted Potatoes & Broccoli

High-Protein Blueberry Overnight Oats

A practical, high-protein breakfast designed for simple preparation and repeatable nutrition tracking.

PHOTO ASSET

PP-R001 / SIGNATURE RECIPE

MEAL	TOTAL TIME	DIFFICULTY
Breakfast	25 Min	Easy

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
583.0	50.7 g	66.4 g	14.5 g	7.4 g

CHEF'S TIP
With Porridge oats and Quark, rest the mixture before serving so the grains hydrate and the texture becomes creamy.

COMMON MISTAKE
For Porridge oats and Quark, avoid guessing the toppings; weigh nuts, seeds and spreads because portions add up quickly.

INGREDIENT SWAP
Swap option for Porridge oats and Quark: swap quark, skyr or Greek-style yogurt by weight and recheck the nutrition label.

MEAL PREP
Prepare the night before and refrigerate in a sealed container at 5°C or below. Add crunchy toppings immediately before serving. Consume within 2 days.

SERVING SUGGESTION
Serve High-Protein Blueberry Overnight Oats with water, tea or coffee and keep extra toppings measured.

BEST FRESH • VEGETARIAN
ALLERGEN NOTE: Milk, Gluten, Peanuts / nuts

INGREDIENTS

- 60 g Porridge oats
- 250 g Quark
- 100 g Semi-skimmed milk
- 80 g Blueberries
- 15 g Smooth peanut butter
- 1 g Ground cinnamon

METHOD

1. Add the oats, quark, milk and any chia seeds or cinnamon to a lidded jar; stir until evenly combined.
2. Fold in half of the Blueberries, cover and refrigerate for at least 6 hours or overnight.
3. Stir before serving, loosening with a splash of milk if needed.
4. Top with the remaining Blueberries and the measured nuts, seeds, coconut or peanut butter.

Lemon & Herb Chicken with Roasted Potatoes & Broccoli

A practical, high-protein dinner designed for simple preparation and repeatable nutrition tracking.

MEAL	TOTAL TIME	DIFFICULTY
Dinner	25 Min	Moderate

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
562.0	53.5 g	56.3 g	15.3 g	12.4 g

CHEF'S TIP

With Chicken breast and Baby potatoes, cut the protein into even pieces and let the pan reheat before the next batch.

COMMON MISTAKE

For Chicken breast and Baby potatoes, avoid crowding the pan, which traps moisture and prevents proper browning.

INGREDIENT SWAP

Swap option for Chicken breast and Baby potatoes: use lean turkey, chicken or a plant-based mince in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate in sealed containers at 5°C or below for up to 3 days. Reheat once until piping hot throughout; keep dressings and raw salad separate.

SERVING SUGGESTION

Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

BEST FRESH • **VEGETARIAN SWAP AVAILABLE**

ALLERGEN NOTE: No major allergens identified; check labels

PHOTO ASSET

PP-R002 / SIGNATURE RECIPE

INGREDIENTS

- 180 g Chicken breast
- 250 g Baby potatoes
- 150 g Broccoli
- 10 g Extra virgin olive oil
- 5 g Garlic
- 15 g Fresh lemon juice
- 2 g Mixed dried herbs

METHOD

1. Heat the oven to 200°C fan (220°C conventional) and line a large roasting tray.
2. Cut the Baby potatoes and firm vegetables into even pieces, toss with half the oil and season, then roast for 15 minutes.
3. Coat the Chicken breast with the remaining oil, garlic, herbs and sauce ingredients.
4. Add the Chicken breast and Broccoli to the tray and roast until the vegetables are tender and the protein is cooked through.
5. Check poultry or pork reaches 75°C; fish should flake easily. Rest meat for 3–5 minutes before serving.

Garlic & Herb Salmon with Lemon Rice & Green Beans

A practical, high-protein dinner designed for simple preparation and repeatable nutrition tracking.

CHEF'S TIP

With Salmon fillet and Basmati rice, pat the seafood dry before seasoning so it colours cleanly instead of steaming.

COMMON MISTAKE

For Salmon fillet and Basmati rice, avoid overcooking seafood; remove it as soon as it is opaque and flakes easily.

INGREDIENT SWAP

Swap option for Salmon fillet and Basmati rice: use another firm fish or seafood option in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate at 5°C or below. Consume within 1 day. Reheat cooked fish or prawns only once until piping hot; keep cold salad components separate.

SERVING SUGGESTION

Finish with fresh herbs or lemon and add a generous side of non-starchy vegetables.

BEST FRESH • VEGETARIAN SWAP AVAILABLE

ALLERGEN NOTE: Fish

INGREDIENTS

- 170 g Salmon fillet
- 70 g Basmati rice
- 180 g Green beans
- 5 g Extra virgin olive oil
- 5 g Garlic
- 2 g Lemon zest
- 10 g Fresh lemon juice
- 5 g Fresh parsley

METHOD

1. Cook the Basmati rice according to the packet instructions, or roast/boil until tender.
2. Pat the Salmon fillet dry and season with the measured garlic, herbs, mustard, lemon or other flavourings.
3. Heat the oil in a non-stick pan and cook the Salmon fillet until browned and safely cooked; poultry and pork must reach 75°C, while fish should flake easily.
4. Steam, sauté or roast the Green beans until tender-crisp.
5. Rest meat for 3–5 minutes where appropriate, then plate with the vegetables and starch and spoon over any pan juices.

Maple Apple Protein Baked Oats

A practical, high-protein breakfast designed for simple preparation and repeatable nutrition tracking.

MEAL	TOTAL TIME	DIFFICULTY
Breakfast	37 Min	Moderate

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
634.0	48.1 g	78.2 g	16.5 g	7.8 g

CHEF'S TIP
With Porridge oats and Quark, rest the mixture before serving so the grains hydrate and the texture becomes creamy.

COMMON MISTAKE
For Porridge oats and Quark, avoid guessing the toppings; weigh nuts, seeds and spreads because portions add up quickly.

INGREDIENT SWAP
Swap option for Porridge oats and Quark: swap quark, skyr or Greek-style yogurt by weight and recheck the nutrition label.

MEAL PREP
Cool completely within 2 hours, cover and refrigerate at 5°C or below for up to 2 days. Reheat once until piping hot, or serve chilled where appropriate.

SERVING SUGGESTION
Serve Maple Apple Protein Baked Oats with water, tea or coffee and keep extra toppings measured.

FREEZER-FRIENDLY • VEGETARIAN
ALLERGEN NOTE: Milk, Egg, Gluten, Peanuts / nuts

PP-R004 / SIGNATURE RECIPE

INGREDIENTS

- 60 g Porridge oats
- 200 g Quark
- 50 g Egg
- 120 g Apple
- 80 g Semi-skimmed milk
- 10 g Smooth peanut butter
- 10 g Maple syrup
- 3 g Baking powder
- 2 g Ground cinnamon

METHOD

- Heat the oven to 180°C fan (200°C conventional) and lightly grease a small ovenproof dish.
- Mix the oats, quark, egg, milk, baking powder and cinnamon into a thick batter.
- Fold in most of the prepared Apple, transfer to the dish and add the remaining fruit on top.
- Bake for 22–28 minutes, until risen, set in the centre and lightly golden.
- Rest for 5 minutes; add the measured nuts, peanut butter or syrup before serving.

CHEF'S TIP

With Chicken breast and Plain couscous, cut the protein into even pieces and let the pan reheat before the next batch.

COMMON MISTAKE

For Chicken breast and Plain couscous, avoid crowding the pan, which traps moisture and prevents proper browning.

INGREDIENT SWAP

Swap option for Chicken breast and Plain couscous: use lean turkey, chicken or a plant-based mince in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate in sealed containers at 5°C or below for up to 3 days. Reheat once until piping hot throughout; keep dressings and raw salad separate.

SERVING SUGGESTION

Finish with fresh herbs or lemon and add a generous side of non-starchy vegetables.

BEST FRESH • VEGETARIAN SWAP AVAILABLE

ALLERGEN NOTE: Gluten

INGREDIENTS

180 g Chicken breast
75 g Plain couscous
100 g Cherry tomatoes
80 g Cucumber
30 g Onion
40 g Baby spinach
30 g Feta
5 g Extra virgin olive oil
15 g Fresh lemon juice
10 g Fresh parsley
2 g Dried oregano

METHOD

1. Cook the Plain couscous according to the packet instructions; drain well and allow it to steam-dry.
2. Season the Chicken breast with the measured garlic, herbs or sauce ingredients.
3. Cook the Chicken breast in a hot non-stick pan until browned and cooked through to 75°C.
4. Prepare the Cherry tomatoes and Baby spinach; cook firm vegetables until tender-crisp and leave salad vegetables raw.
5. Combine the grain and vegetables with the measured lemon, soy sauce or oil dressing.
6. Slice or flake the protein, arrange over the bowl or salad, add cheese, nuts or seeds, and serve.

Turkey Meatballs with Roasted Vegetable Mash

A practical, high-protein dinner designed for simple preparation and repeatable nutrition tracking.

MEAL	TOTAL TIME	DIFFICULTY
Dinner	30 Min	Moderate

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
567.0	59.7 g	55.4 g	13.8 g	9.8 g

CHEF'S TIP

With Lean turkey mince and Egg, cut the protein into even pieces and let the pan reheat before the next batch.

COMMON MISTAKE

For Lean turkey mince and Egg, avoid crowding the pan, which traps moisture and prevents proper browning.

INGREDIENT SWAP

Swap option for Lean turkey mince and Egg: use lean turkey, chicken or a plant-based mince in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate in sealed containers at 5°C or below for up to 3 days. Reheat once until piping hot throughout; keep dressings and raw salad separate.

SERVING SUGGESTION

Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

FREEZER-FRIENDLY • VEGETARIAN SWAP AVAILABLE

ALLERGEN NOTE: Egg, Gluten, Mustard

PP-R006 / SIGNATURE RECIPE

INGREDIENTS

180 g Lean turkey mince
50 g Egg
5 g Garlic
10 g Fresh parsley
20 g Wholemeal bread, crumbled
180 g Sweet potato
150 g Cauliflower
5 g Extra virgin olive oil
10 g Smooth mustard
2 g Paprika

METHOD

1. Heat the oven to 200°C fan (220°C conventional). Combine the mince with egg, garlic, herbs and crumbs; shape into evenly sized meatballs.
2. Prepare the Sweet potato and vegetables, coat with the measured oil and roast until tender.
3. Bake the meatballs for 15–20 minutes, turning once, until browned and cooked through to 75°C in the centre.
4. For a creamy sauce, warm the quark gently with spinach and garlic without boiling; otherwise mash the cooked vegetables with mustard.
5. Serve the meatballs with the prepared sauce or mash and vegetables.

Cottage Cheese Power Bowl with Berries & Pistachios

A practical, high-protein breakfast designed for simple preparation and repeatable nutrition tracking.

PHOTO ASSET

PP-R007 / SIGNATURE RECIPE

MEAL	TOTAL TIME	DIFFICULTY
Breakfast	25 Min	Easy

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
353.0	32.5 g	18.8 g	17.0 g	4.8 g

CHEF'S TIP
With Low-fat cottage cheese and Blueberries, rest the mixture before serving so the grains hydrate and the texture becomes creamy.

COMMON MISTAKE
For Low-fat cottage cheese and Blueberries, avoid guessing the toppings; weigh nuts, seeds and spreads because portions add up quickly.

INGREDIENT SWAP
Swap option for Low-fat cottage cheese and Blueberries: swap quark, skyr or Greek-style yogurt by weight and recheck the nutrition label.

MEAL PREP
Prepare the components up to 1 day ahead and refrigerate at 5°C or below. Keep nuts, seeds and crumbs separate until serving.

SERVING SUGGESTION
Serve Cottage Cheese Power Bowl with Berries & Pistachios with water, tea or coffee and keep extra toppings measured.

BEST FRESH • VEGETARIAN
ALLERGEN NOTE: Milk, Peanuts / nuts

INGREDIENTS

- 250 g Low-fat cottage cheese
- 50 g Blueberries
- 50 g Strawberries
- 15 g Pistachios
- 10 g Pumpkin seeds
- 1 g Ground cinnamon
- 3 g Fresh mint

METHOD

- Spoon the quark or cottage cheese into a serving bowl and stir until smooth.
- Wash, dry and prepare the Blueberries and Strawberries, then arrange it over the base.
- Add the measured oats, nuts and seeds.
- Finish with the cinnamon, honey or vanilla listed in the ingredients and serve.

Savoury Mediterranean Quark Toast

A practical, high-protein breakfast designed for simple preparation and repeatable nutrition tracking.

MEAL	TOTAL TIME	DIFFICULTY
Breakfast	30 Min	Easy

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE

CHEF'S TIP
With Wholegrain sourdough bread and Quark, rest the mixture before serving so the grains hydrate and the texture becomes creamy.

COMMON MISTAKE
For Wholegrain sourdough bread and Quark, avoid guessing the toppings; weigh nuts, seeds and spreads because portions add up quickly.

INGREDIENT SWAP
Swap option for Wholegrain sourdough bread and Quark: swap quark, skyr or Greek-style yogurt by weight and recheck the nutrition label.

MEAL PREP
Cool cooked components within 2 hours and refrigerate at 5°C or below for up to 3 days. Reheat once until piping hot; keep fresh garnishes and dressings separate until serving.

SERVING SUGGESTION
Serve Savoury Mediterranean Quark Toast with water, tea or coffee and keep extra toppings measured.

BEST FRESH • VEGETARIAN
ALLERGEN NOTE: Milk, Gluten

PHOTO ASSET

PP-R008 / SIGNATURE RECIPE

INGREDIENTS

- 90 g Wholegrain sourdough bread
- 180 g Quark
- 80 g Cherry tomatoes
- 60 g Cucumber
- 40 g Radishes
- 5 g Fresh chives
- 10 g Pumpkin seeds
- 5 g Extra virgin olive oil

METHOD

1. Toast the bread or bagel, or warm the tortilla in a dry pan until pliable.
2. Mix the quark or cottage cheese with the measured herbs, lemon and seasoning ingredients.
3. Prepare the Cherry tomatoes and arrange it over the bread, bagel or tortilla with the protein filling.
4. Assemble securely, finish with the measured oil or seeds, and serve.

CHEF'S TIP

With Lean beef mince (5% fat) and Romaine lettuce leaves, cut the protein into even pieces and let the pan reheat before the next batch.

COMMON MISTAKE

For Lean beef mince (5% fat) and Romaine lettuce leaves, avoid crowding the pan, which traps moisture and prevents proper browning.

INGREDIENT SWAP

Swap option for Lean beef mince (5% fat) and Romaine lettuce leaves: use lean turkey, chicken or a plant-based mince in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate in sealed containers at 5°C or below for up to 3 days. Reheat once until piping hot throughout; keep dressings and raw salad separate.

SERVING SUGGESTION

Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

BEST FRESH • VEGETARIAN SWAP AVAILABLE

ALLERGEN NOTE: Soya, Sesame

INGREDIENTS

- 180 g Lean beef mince (5% fat)
- 120 g Romaine lettuce leaves
- 60 g Carrot
- 60 g Red bell pepper
- 20 g Spring onions
- 10 g Fresh ginger
- 5 g Garlic
- 15 g Reduced-salt soy sauce
- 5 g Sesame oil
- 10 g Lime juice
- 5 g Sesame seeds

METHOD

- Season and cook the meat in a hot non-stick pan until browned and fully cooked; poultry must reach 75°C.
- Prepare the Carrot and Red bell pepper and warm the tortilla or separate the lettuce leaves.
- Mix the quark-based dressing or combine the soy, ginger, lime and sesame ingredients as listed.
- Divide the filling between the wraps or leaves, add the vegetables and dressing, then roll or fold securely.

CHEF'S TIP
With Cod fillet and Cooked green lentils, pat the seafood dry before seasoning so it colours cleanly instead of steaming.

COMMON MISTAKE
For Cod fillet and Cooked green lentils, avoid overcooking seafood; remove it as soon as it is opaque and flakes easily.

INGREDIENT SWAP
Swap option for Cod fillet and Cooked green lentils: use another firm fish or seafood option in the same measured quantity.

MEAL PREP
Cool cooked components within 2 hours and refrigerate at 5°C or below. Consume within 1 day. Reheat cooked fish or prawns only once until piping hot; keep cold salad components separate.

SERVING SUGGESTION
Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

BEST FRESH • VEGETARIAN SWAP AVAILABLE

ALLERGEN NOTE: Fish, Mustard

PP-R010 / SIGNATURE RECIPE

INGREDIENTS

- 180 g Cod fillet
- 150 g Cooked green lentils
- 80 g Baby spinach
- 100 g Cherry tomatoes
- 30 g Red onion
- 5 g Garlic
- 5 g Extra virgin olive oil
- 10 g Dijon mustard
- 15 g Fresh lemon juice
- 10 g Fresh parsley
- 2 g Mixed dried herbs

METHOD

- Cook the grain or potatoes according to the packet instructions; drain well and allow it to steam-dry.
- Season the Cod fillet with the measured garlic, herbs or sauce ingredients.
- Cook the Cod fillet in a hot non-stick pan until opaque, piping hot and cooked through.
- Prepare the Baby spinach and Cherry tomatoes; cook firm vegetables until tender-crisp and leave salad vegetables raw.
- Combine the grain and vegetables with the measured lemon, soy sauce or oil dressing.
- Slice or flake the protein, arrange over the bowl or salad, add cheese, nuts or seeds, and serve.

CHEF'S TIP

With Wholemeal bagel and Smoked salmon, pat the seafood dry before seasoning so it colours cleanly instead of steaming.

COMMON MISTAKE

For Wholemeal bagel and Smoked salmon, avoid overcooking seafood; remove it as soon as it is opaque and flakes easily.

INGREDIENT SWAP

Swap option for Wholemeal bagel and Smoked salmon: use another firm fish or seafood option in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate at 5°C or below. Consume within 1 day. Reheat cooked fish or prawns only once until piping hot; keep cold salad components separate.

SERVING SUGGESTION

Serve Smoked Salmon Protein Bagel with water, tea or coffee and keep extra toppings

Breakfast • **VEGETARIAN SWAP AVAILABLE**

ALLERGEN NOTE: Milk, Fish

INGREDIENTS

- 90 g Wholemeal bagel
- 100 g Smoked salmon
- 100 g Quark
- 60 g Cucumber
- 20 g Red onion
- 10 g Fresh lemon juice
- 5 g Fresh dill

METHOD

1. Toast the bread or bagel, or warm the tortilla in a dry pan until pliable.
2. Mix the quark or cottage cheese with the measured herbs, lemon and seasoning ingredients.
3. Prepare the vegetables and arrange it over the bread, bagel or tortilla with the protein filling.
4. Assemble securely, finish with the measured oil or seeds, and serve.

Apple Pie Quark Breakfast Bake

A practical, high-protein breakfast designed for simple preparation and repeatable nutrition tracking.

MEAL	TOTAL TIME	DIFFICULTY
Breakfast	37 Min	Moderate

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE

CHEF'S TIP
With Porridge oats and Quark, rest the mixture before serving so the grains hydrate and the texture becomes creamy.

COMMON MISTAKE
For Porridge oats and Quark, avoid guessing the toppings; weigh nuts, seeds and spreads because portions add up quickly.

INGREDIENT SWAP
Swap option for Porridge oats and Quark: swap quark, skyr or Greek-style yogurt by weight and recheck the nutrition label.

MEAL PREP
Cool completely within 2 hours, cover and refrigerate at 5°C or below for up to 2 days. Reheat once until piping hot, or serve chilled where appropriate.

SERVING SUGGESTION
Serve Apple Pie Quark Breakfast Bake with water, tea or coffee and keep extra toppings measured.

FREEZER-FRIENDLY • VEGETARIAN
ALLERGEN NOTE: Milk, Egg, Gluten, Peanuts / nuts

PP-R012 / SIGNATURE RECIPE

INGREDIENTS

- 60 g Porridge oats
- 200 g Quark
- 50 g Egg
- 140 g Apple
- 80 g Semi-skimmed milk
- 3 g Baking powder
- 2 g Ground cinnamon
- 10 g Walnuts

METHOD

- Heat the oven to 180°C fan (200°C conventional) and lightly grease a small ovenproof dish.
- Mix the oats, quark, egg, milk, baking powder and cinnamon into a thick batter.
- Fold in most of the prepared Apple, transfer to the dish and add the remaining fruit on top.
- Bake for 22–28 minutes, until risen, set in the centre and lightly golden.
- Rest for 5 minutes; add the measured nuts, peanut butter or syrup before serving.

Spinach Feta Egg Muffins

CHEF'S TIP

With Whole eggs and Baby spinach, use moderate heat and stop cooking while the eggs still look slightly glossy.

COMMON MISTAKE

For Whole eggs and Baby spinach, avoid using high heat, which makes eggs firm before the centre cooks evenly.

INGREDIENT SWAP

Swap option for Whole eggs and Baby spinach: replace part of the egg with measured egg whites for a lighter protein option.

MEAL PREP

Cool completely within 2 hours, cover and refrigerate at 5°C or below for up to 2 days. Reheat once until piping hot, or serve chilled where appropriate.

SERVING SUGGESTION

Serve Spinach Feta Egg Muffins with water, tea or coffee and keep extra toppings measured.

BEST FRESH • VEGETARIAN

ALLERGEN NOTE: Egg

INGREDIENTS

- 200 g Whole eggs
- 60 g Baby spinach
- 30 g Feta
- 60 g Red bell pepper
- 20 g Spring onions
- 3 g Olive oil

METHOD

1. Heat the oven to 180°C fan (200°C conventional) and lightly oil a six-hole muffin tin.
2. Chop the spinach, pepper and spring onions; divide them between the prepared holes with the feta.
3. Whisk the eggs, pour evenly over the vegetables and gently stir each portion.
4. Bake for 16–20 minutes, until puffed and fully set in the centre.
5. Cool for 5 minutes before removing from the tin.

Chicken Pesto Wholewheat Pasta

A practical, high-protein lunch designed for simple preparation and repeatable nutrition tracking.

MEAL	TOTAL TIME	DIFFICULTY
Lunch	25 Min	Moderate

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE

CHEF'S TIP

With Chicken breast and Wholewheat pasta, cut the protein into even pieces and let the pan reheat before the next batch.

COMMON MISTAKE

For Chicken breast and Wholewheat pasta, avoid crowding the pan, which traps moisture and prevents proper browning.

INGREDIENT SWAP

Swap option for Chicken breast and Wholewheat pasta: use lean turkey, chicken or a plant-based mince in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate in sealed containers at 5°C or below for up to 3 days. Reheat once until piping hot throughout; keep dressings and raw salad separate.

SERVING SUGGESTION

Finish with fresh herbs or lemon and add a generous side of non-starchy vegetables.

BEST FRESH • VEGETARIAN SWAP AVAILABLE

ALLERGEN NOTE: Gluten

PHOTO ASSET

PP-R014 / SIGNATURE RECIPE

INGREDIENTS

- 180 g Chicken breast
- 75 g Wholewheat pasta
- 20 g Green pesto
- 100 g Cherry tomatoes
- 60 g Baby spinach
- 5 g Olive oil
- 5 g Garlic

METHOD

1. Cook the Wholewheat pasta according to the packet instructions until just tender; reserve a little cooking water, then drain.
2. Heat the oil in a large pan and cook the Chicken breast until browned and cooked through; transfer briefly to a plate if necessary.
3. Cook the garlic and Cherry tomatoes and Baby spinach in the same pan until tender-crisp.
4. Return the protein, add the measured sauce ingredients and fold through the cooked pasta or noodles.
5. For quark-based sauces, remove from direct heat before stirring in the quark; loosen with reserved cooking water and serve.

SERVING SUGGESTION

Finish with fresh herbs or lemon and add a generous side of non-starchy vegetables.

BEST FRESH • VEGETARIAN SWAP AVAILABLE

ALLERGEN NOTE: Fish, Gluten

INGREDIENTS

- 160 g Salmon fillet
- 70 g Wholewheat couscous
- 80 g Cucumber
- 100 g Cherry tomatoes
- 60 g Baby spinach
- 30 g Red onion
- 5 g Olive oil
- 15 g Fresh lemon juice
- 10 g Fresh parsley

METHOD

1. Cook the Wholewheat couscous according to the packet instructions; drain well and allow it to steam-dry.
2. Season the Salmon fillet with the measured garlic, herbs or sauce ingredients.
3. Cook the Salmon fillet in a hot non-stick pan until opaque, piping hot and cooked through.
4. Prepare the Cherry tomatoes and Baby spinach; cook firm vegetables until tender-crisp and leave salad vegetables raw.
5. Combine the grain and vegetables with the measured lemon, soy sauce or oil dressing.
6. Slice or flake the protein, arrange over the bowl or salad, add cheese, nuts or seeds, and serve.

Tofu Vegetable Curry with Brown Rice

A practical, high-protein dinner designed for simple preparation and repeatable nutrition tracking.

MEAL	TOTAL TIME	DIFFICULTY
Dinner	27 Min	Moderate

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
649.0	30.1 g	74.1 g	27.9 g	11.4 g

CHEF'S TIP
With Firm tofu and Brown basmati rice, build flavour in layers: brown the base ingredients before adding liquid or sauce.

COMMON MISTAKE
For Firm tofu and Brown basmati rice, avoid adding everything at once, which leaves the vegetables soft and the flavour flat.

INGREDIENT SWAP
Swap option for Firm tofu and Brown basmati rice: exchange lentils, chickpeas, beans or firm tofu gram for gram where practical.

MEAL PREP
Cool cooked components within 2 hours and refrigerate at 5°C or below for up to 3 days. Reheat once until piping hot; keep fresh garnishes and dressings separate until serving.

SERVING SUGGESTION
Finish with fresh herbs or lemon and add a generous side of non-starchy vegetables.

FREEZER-FRIENDLY • VEGETARIAN
ALLERGEN NOTE: Milk, Soya

PHOTO ASSET

PP-R020 / SIGNATURE RECIPE

INGREDIENTS

- 200 g Firm tofu
- 70 g Brown basmati rice
- 100 g Broccoli
- 80 g Red bell pepper
- 60 g Baby spinach
- 120 g Light coconut milk
- 5 g Curry powder
- 10 g Fresh ginger
- 5 g Garlic
- 5 g Olive oil

METHOD

- Cook the Brown basmati rice according to the packet instructions and keep warm.
- Heat a deep pan over medium heat and soften the Fresh ginger and Garlic for 3–4 minutes, using the measured oil or a splash of water.
- Add the Curry powder and tomato purée, if listed, and cook for 30 seconds; add the Firm tofu and cook until lightly coloured.
- Stir in Light coconut milk; simmer gently for 12–18 minutes.
- Add the Broccoli, Red bell pepper and Baby spinach as needed and continue cooking until the vegetables are tender but retain some texture.
- Taste, adjust seasoning and serve with the cooked grain.

Dinner	28 Min	Moderate

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
688.0	72.1 g	79.8 g	11.1 g	7.5 g

CHEF'S TIP

With Wholewheat pasta and Tuna in spring water, drained, pat the seafood dry before seasoning so it colours cleanly instead of steaming.

COMMON MISTAKE

For Wholewheat pasta and Tuna in spring water, drained, avoid overcooking seafood; remove it as soon as it is opaque and flakes easily.

INGREDIENT SWAP

Swap option for Wholewheat pasta and Tuna in spring water, drained: use another firm fish or seafood option in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate at 5°C or below. Consume within 1 day. Reheat cooked fish or prawns only once until piping hot; keep cold salad components separate.

SERVING SUGGESTION

Finish with fresh herbs or lemon and add a generous side of non-starchy vegetables.

FREEZER-FRIENDLY • **VEGETARIAN SWAP AVAILABLE**

ALLERGEN NOTE: Milk, Fish, Gluten

PP-R026 / SIGNATURE RECIPE

INGREDIENTS

75 g Wholewheat pasta
140 g Tuna in spring water, drained
200 g Chopped tomatoes
80 g Sweetcorn
100 g Quark
30 g Reduced-fat cheddar
60 g Baby spinach

METHOD

- Heat the oven to 190°C fan (210°C conventional) and cook the pasta until just al dente; drain.
- Cook the Tuna in spring water, drained until browned and fully cooked, then add garlic, tomato purée or chopped tomatoes and spinach.
- Stir through the Tuna in spring water, drained, vegetables and quark, keeping the mixture creamy but not wet.
- Transfer to a small baking dish, add the measured cheese if included, and bake for 18–25 minutes until bubbling.
- Rest for 5 minutes before serving.

Teriyaki Chicken Noodle Bowl

A practical, high-protein lunch designed for simple preparation and repeatable nutrition tracking.

11.3 g

CHEF'S TIP

With Chicken breast and Egg noodles, cut the protein into even pieces and let the pan reheat before the next batch.

COMMON MISTAKE

For Chicken breast and Egg noodles, avoid crowding the pan, which traps moisture and prevents proper browning.

INGREDIENT SWAP

Swap option for Chicken breast and Egg noodles: use lean turkey, chicken or a plant-based mince in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate in sealed containers at 5°C or below for up to 3 days. Reheat once until piping hot throughout; keep dressings and raw salad separate.

SERVING SUGGESTION

Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

BEST FRESH • VEGETARIAN SWAP AVAILABLE

ALLERGEN NOTE: Egg, Soya, Sesame

INGREDIENTS

180 g Chicken breast
75 g Egg noodles
100 g Broccoli
70 g Carrot
20 g Spring onions
20 g Soy sauce
10 g Honey
10 g Fresh ginger
5 g Sesame oil

METHOD

1. Cook the Egg noodles according to the packet instructions until just tender; reserve a little cooking water, then drain.
2. Heat the oil in a large pan and cook the Chicken breast and Egg noodles until browned and cooked through; transfer briefly to a plate if necessary.
3. Cook the garlic and Broccoli and Carrot in the same pan until tender-crisp.
4. Return the protein, add the measured sauce ingredients and fold through the cooked pasta or noodles.
5. For quark-based sauces, remove from direct heat before stirring in the quark; loosen with reserved cooking water and serve.

Steak & Chimichurri Roasted Potatoes

A practical, high-protein dinner designed for simple preparation and repeatable nutrition tracking.

MEAL	TOTAL TIME	DIFFICULTY
Dinner	25 Min	Moderate

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
515.0	47.9 g	46.2 g	16.4 g	10.6 g

CHEF'S TIP
With Lean beef steak and Potatoes, cut the protein into even pieces and let the pan reheat before the next batch.

COMMON MISTAKE
For Lean beef steak and Potatoes, avoid crowding the pan, which traps moisture and prevents proper browning.

INGREDIENT SWAP
Swap option for Lean beef steak and Potatoes: use lean turkey, chicken or a plant-based mince in the same measured quantity.

MEAL PREP
Cool cooked components within 2 hours and refrigerate in sealed containers at 5°C or below for up to 3 days. Reheat once until piping hot throughout; keep dressings and raw salad separate.

SERVING SUGGESTION
Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

BEST FRESH • VEGETARIAN SWAP AVAILABLE
ALLERGEN NOTE: No major allergens identified; check labels

PP-R028 / SIGNATURE RECIPE

INGREDIENTS

180 g Lean beef steak
250 g Potatoes
150 g Green beans
8 g Olive oil
15 g Fresh parsley
5 g Garlic
10 g Red wine vinegar

METHOD

1. Heat the oven to 200°C fan (220°C conventional) and line a large roasting tray.
2. Cut the Potatoes and firm vegetables into even pieces, toss with half the oil and season, then roast for 15 minutes.
3. Coat the Lean beef steak with the remaining oil, garlic, herbs and sauce ingredients.
4. Add the Lean beef steak and Green beans to the tray and roast until the vegetables are tender and the protein is cooked through.
5. Check poultry or pork reaches 75°C; fish should flake easily. Rest meat for 3–5 minutes before serving.

Peach & Pecan Protein Quark Bowl

A practical, high-protein breakfast designed for simple preparation and repeatable nutrition tracking.

PHOTO ASSET

PP-R029 / SIGNATURE RECIPE

MEAL	TOTAL TIME	DIFFICULTY
Breakfast	25 Min	Easy

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
481.0	42.7 g	51.1 g	13.1 g	5.8 g

- CHEF'S TIP**
With Quark and Peach, rest the mixture before serving so the grains hydrate and the texture becomes creamy.
- COMMON MISTAKE**
For Quark and Peach, avoid guessing the toppings; weigh nuts, seeds and spreads because portions add up quickly.
- INGREDIENT SWAP**
Swap option for Quark and Peach: swap quark, skyr or Greek-style yogurt by weight and recheck the nutrition label.

MEAL PREP
Prepare the components up to 1 day ahead and refrigerate at 5°C or below. Keep nuts, seeds and crumbs separate until serving.

SERVING SUGGESTION
Serve Peach & Pecan Protein Quark Bowl with water, tea or coffee and keep extra toppings measured.

BEST FRESH • VEGETARIAN
ALLERGEN NOTE: Milk, Gluten, Peanuts / nuts

INGREDIENTS

- 250 g Quark
- 150 g Peach
- 15 g Pecans
- 30 g Porridge oats
- 10 g Honey
- 1 g Ground cinnamon

METHOD

- Spoon the quark or cottage cheese into a serving bowl and stir until smooth.
- Wash, dry and prepare the Peach, then arrange it over the base.
- Add the measured oats, nuts and seeds.
- Finish with the cinnamon, honey or vanilla listed in the ingredients and serve.

Final-Day Berry Protein Pancake Bowl

MEAL	TOTAL TIME	DIFFICULTY
Breakfast	17 Min	Moderate

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
617.0	49.3 g	66.4 g	18.9 g	8.8 g

CHEF'S TIP
With Porridge oats and Whole egg, rest the mixture before serving so the grains hydrate and the texture becomes creamy.

COMMON MISTAKE
For Porridge oats and Whole egg, avoid guessing the toppings; weigh nuts, seeds and spreads because portions add up quickly.

INGREDIENT SWAP
Swap option for Porridge oats and Whole egg: swap quark, skyr or Greek-style yogurt by weight and recheck the nutrition label.

MEAL PREP
Cool completely within 2 hours, cover and refrigerate at 5°C or below for up to 2 days. Reheat once until piping hot, or serve chilled where appropriate.

SERVING SUGGESTION
Serve Final-Day Berry Protein Pancake Bowl with water, tea or coffee and keep extra toppings measured.

BEST FRESH • VEGETARIAN
ALLERGEN NOTE: Milk, Egg, Gluten, Peanuts / nuts

PP-R030 / SIGNATURE RECIPE

INGREDIENTS

- 60 g Porridge oats
- 50 g Whole egg
- 200 g Quark
- 80 g Semi-skimmed milk
- 60 g Blueberries
- 60 g Strawberries
- 15 g Smooth peanut butter
- 3 g Baking powder

METHOD

- Blend the oats or flour with the quark, egg, milk, baking powder and cinnamon to make a smooth batter.
- Fold in or reserve the prepared Blueberries and Strawberries, according to preference.
- Heat a non-stick frying pan over medium heat and add small rounds of batter.
- Cook for 2–3 minutes until bubbles appear, turn, then cook for 1–2 minutes until set.
- Serve with the reserved fruit and measured quark or peanut butter.

COMMON MISTAKE
For Wholemeal tortilla and Low-fat cottage cheese, avoid guessing the toppings; weigh nuts, seeds and spreads because portions add up quickly.

INGREDIENT SWAP
Swap option for Wholemeal tortilla and Low-fat cottage cheese: swap quark, skyr or Greek-style yogurt by weight and recheck the nutrition label.

MEAL PREP
Cool cooked components within 2 hours and refrigerate at 5°C or below for up to 3 days. Reheat once until piping hot; keep fresh garnishes and dressings separate until serving.

SERVING SUGGESTION
Serve Savoury Cottage Cheese Breakfast Wrap with water, tea or coffee and keep extra toppings measured.

BEST FRESH • VEGETARIAN
ALLERGEN NOTE: Milk, Egg

PP-R032 / SIGNATURE RECIPE

INGREDIENTS

65 g Wholemeal tortilla
180 g Low-fat cottage cheese
50 g Whole egg
50 g Baby spinach
80 g Cherry tomatoes
5 g Fresh chives

METHOD

1. Toast the bread or bagel, or warm the tortilla in a dry pan until pliable.
2. Cook the egg or turkey in a non-stick pan until fully cooked, adding the spinach to wilt during the final minute.
3. Mix the quark or cottage cheese with the measured herbs, lemon and seasoning ingredients.
4. Prepare the Baby spinach and Cherry tomatoes and arrange it over the bread, bagel or tortilla with the protein filling.
5. Assemble securely, finish with the measured oil or seeds, and serve.

BEST FRESH • **VEGETARIAN SWAP AVAILABLE**

ALLERGEN NOTE: Gluten

PP-R034 / SIGNATURE RECIPE

INGREDIENTS

- 180 g Chicken breast
- 70 g Plain couscous
- 80 g Carrot
- 80 g Courgette
- 20 g Dried apricots
- 5 g Fresh mint
- 5 g Olive oil
- 1 g Cumin seeds
- 1 g Coriander seeds
- 1 g Paprika

METHOD

1. Cook the Plain couscous according to the packet instructions; drain well and allow it to steam-dry.
2. Season the Chicken breast with the measured garlic, herbs or sauce ingredients.
3. Cook the Chicken breast in a hot non-stick pan until browned and cooked through to 75°C.
4. Prepare the Carrot and Courgette; cook firm vegetables until tender-crisp and leave salad vegetables raw.
5. Combine the grain and vegetables with the measured lemon, soy sauce or oil dressing.
6. Slice or flake the protein, arrange over the bowl or salad, add cheese, nuts or seeds, and serve.

CHEF'S TIP

With Wholemeal bread and Whole eggs, rest the mixture before serving so the grains hydrate and the texture becomes creamy.

COMMON MISTAKE

For Wholemeal bread and Whole eggs, avoid guessing the toppings; weigh nuts, seeds and spreads because portions add up quickly.

INGREDIENT SWAP

Swap option for Wholemeal bread and Whole eggs: swap quark, skyr or Greek-style yogurt by weight and recheck the nutrition label.

MEAL PREP

Cool cooked components within 2 hours and refrigerate at 5°C or below for up to 3 days. Reheat once until piping hot; keep fresh garnishes and dressings separate until serving.

SERVING SUGGESTION

Serve Mediterranean Egg & Avocado Toast with water, tea or coffee and keep extra toppings measured.

BEST FRESH • VEGETARIAN

ALLERGEN NOTE: Milk, Egg, Gluten

PP-R042 / SIGNATURE RECIPE

INGREDIENTS

90 g Wholemeal bread
100 g Whole eggs
70 g Avocado
100 g Quark
80 g Cherry tomatoes
5 g Fresh basil
10 g Fresh lemon juice

METHOD

1. Toast the bread or bagel, or warm the tortilla in a dry pan until pliable.
2. Cook the egg or turkey in a non-stick pan until fully cooked, adding the spinach to wilt during the final minute.
3. Mix the quark or cottage cheese with the measured herbs, lemon and seasoning ingredients.
4. Prepare the Cherry tomatoes and arrange it over the bread, bagel or tortilla with the protein filling.
5. Assemble securely, finish with the measured oil or seeds, and serve.

Blueberry Cheesecake Quark Bowl

- CHEF'S TIP**
With Quark and Blueberries, rest the mixture before serving so the grains hydrate and the texture becomes creamy.
- COMMON MISTAKE**
For Quark and Blueberries, avoid guessing the toppings; weigh nuts, seeds and spreads because portions add up quickly.
- INGREDIENT SWAP**
Swap option for Quark and Blueberries: swap quark, skyr or Greek-style yogurt by weight and recheck the nutrition label.
- MEAL PREP**
Prepare the components up to 1 day ahead and refrigerate at 5°C or below. Keep nuts, seeds and crumbs separate until serving.
- SERVING SUGGESTION**
Serve Blueberry Cheesecake Quark Bowl with water, tea or coffee and keep extra toppings measured.
- BEST FRESH • VEGETARIAN**
ALLERGEN NOTE: Milk, Peanuts / nuts

INGREDIENTS

- 250 g Quark
- 100 g Blueberries
- 20 g Wholemeal digestive crumbs
- 15 g Walnuts
- 10 g Honey

METHOD

- Spoon the quark or cottage cheese into a serving bowl and stir until smooth.
- Wash, dry and prepare the Blueberries, then arrange it over the base.
- Add the measured oats, nuts and seeds.
- Finish with the cinnamon, honey or vanilla listed in the ingredients and serve.

Greek Turkey Pasta Salad

A practical, high-protein lunch designed for simple preparation and repeatable nutrition tracking.

MEAL	TOTAL TIME	DIFFICULTY
Lunch	30 Min	Moderate

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
604.0	58.8 g	58.2 g	16.9 g	5.9 g

CHEF'S TIP

With Turkey breast and Dried white pasta, cut the protein into even pieces and let the pan reheat before the next batch.

COMMON MISTAKE

For Turkey breast and Dried white pasta, avoid crowding the pan, which traps moisture and prevents proper browning.

INGREDIENT SWAP

Swap option for Turkey breast and Dried white pasta: use lean turkey, chicken or a plant-based mince in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate in sealed containers at 5°C or below for up to 3 days. Reheat once until piping hot throughout; keep dressings and raw salad separate.

SERVING SUGGESTION

Finish with fresh herbs or lemon and add a generous side of non-starchy vegetables.

BEST FRESH • **VEGETARIAN SWAP AVAILABLE**

ALLERGEN NOTE: Gluten

PHOTO ASSET

PP-R044 / SIGNATURE RECIPE

INGREDIENTS

- 180 g Turkey breast
- 70 g Dried white pasta
- 80 g Cucumber
- 100 g Cherry tomatoes
- 30 g Feta
- 20 g Green olives
- 5 g Olive oil
- 15 g Fresh lemon juice
- 2 g Dried oregano

METHOD

1. Cook the Dried white pasta according to the packet instructions until just tender; reserve a little cooking water, then drain.
2. Heat the oil in a large pan and cook the Turkey breast until browned and cooked through; transfer briefly to a plate if necessary.
3. Cook the garlic and Cherry tomatoes in the same pan until tender-crisp.
4. Return the protein, add the measured sauce ingredients and fold through the cooked pasta or noodles.
5. For quark-based sauces, remove from direct heat before stirring in the quark; loosen with reserved cooking water and serve.

With Extra-lean beef and Jasmine rice, cut the protein into even pieces and let the pan reheat before the next batch.

COMMON MISTAKE

For Extra-lean beef and Jasmine rice, avoid crowding the pan, which traps moisture and prevents proper browning.

INGREDIENT SWAP

Swap option for Extra-lean beef and Jasmine rice: use lean turkey, chicken or a plant-based mince in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate in sealed containers at 5°C or below for up to 3 days. Reheat once until piping hot throughout; keep dressings and raw salad separate.

SERVING SUGGESTION

Finish with fresh herbs or lemon and add a generous side of non-starchy vegetables.

BEST FRESH • VEGETARIAN SWAP AVAILABLE

ALLERGEN NOTE: Soya, Sesame

INGREDIENTS

170 g Extra-lean beef
70 g Jasmine rice
100 g Edamame
60 g Carrot
20 g Spring onion
20 g Soy sauce
5 g Sesame oil
10 g Fresh ginger

METHOD

1. Cook the Jasmine rice according to the packet instructions; drain well and allow it to steam-dry.
2. Season the Extra-lean beef with the measured garlic, herbs or sauce ingredients.
3. Cook the Extra-lean beef in a hot non-stick pan to the preferred doneness, then rest for 3–5 minutes.
4. Prepare the Carrot; cook firm vegetables until tender-crisp and leave salad vegetables raw.
5. Combine the grain and vegetables with the measured lemon, soy sauce or oil dressing.
6. Slice or flake the protein, arrange over the bowl or salad, add cheese, nuts or seeds, and serve.

CHEF'S TIP

With Haddock fillet and Cauliflower, pat the seafood dry before seasoning so it colours cleanly instead of steaming.

COMMON MISTAKE

For Haddock fillet and Cauliflower, avoid overcooking seafood; remove it as soon as it is opaque and flakes easily.

INGREDIENT SWAP

Swap option for Haddock fillet and Cauliflower: use another firm fish or seafood option in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate at 5°C or below. Consume within 1 day. Reheat cooked fish or prawns only once until piping hot; keep cold salad components separate.

SERVING SUGGESTION

Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

BEST FRESH • VEGETARIAN SWAP AVAILABLE

ALLERGEN NOTE: Fish

INGREDIENTS

- 180 g Haddock fillet
- 180 g Cauliflower
- 120 g Green beans
- 8 g Garlic
- 10 g Light butter
- 10 g Fresh parsley

METHOD

1. Cook the grain or potatoes according to the packet instructions, or roast/boil until tender.
2. Pat the Haddock fillet dry and season with the measured garlic, herbs, mustard, lemon or other flavourings.
3. Heat the oil in a non-stick pan and cook the Haddock fillet until browned and safely cooked; poultry and pork must reach 75°C, while fish should flake easily.
4. Steam, sauté or roast the Cauliflower and Green beans until tender-crisp.
5. Rest meat for 3–5 minutes where appropriate, then plate with the vegetables and starch and spoon over any pan juices.

BEST FRESH • VEGETARIAN SWAP AVAILABLE
ALLERGEN NOTE: No major allergens identified; check labels

PP-R048 / SIGNATURE RECIPE

INGREDIENTS

180 g Lean turkey mince
200 g Red peppers
60 g Basmati rice
20 g Tomato purée
50 g Onion
5 g Garlic
2 g Paprika

METHOD

1. Heat the oven to 190°C fan (210°C conventional), halve the peppers lengthways and remove the seeds.
2. Cook the rice until just tender. Meanwhile, soften the onion and garlic, then brown the turkey mince.
3. Stir in the tomato purée, paprika and cooked rice; cook until the turkey reaches 75°C.
4. Fill the pepper halves, place in a covered baking dish and bake for 25 minutes.
5. Uncover and bake for 8–10 minutes more, until the peppers are tender.

CHEF'S TIP
With Porridge oats and Quark, rest the mixture before serving so the grains hydrate and the texture becomes creamy.

COMMON MISTAKE
For Porridge oats and Quark, avoid guessing the toppings; weigh nuts, seeds and spreads because portions add up quickly.

INGREDIENT SWAP
Swap option for Porridge oats and Quark: swap quark, skyr or Greek-style yogurt by weight and recheck the nutrition label.

MEAL PREP
Cool completely within 2 hours, cover and refrigerate at 5°C or below for up to 2 days. Reheat once until piping hot, or serve chilled where appropriate.

SERVING SUGGESTION
Serve Apple Cinnamon Protein Pancakes with water, tea or coffee and keep extra toppings measured.

BEST FRESH • VEGETARIAN
ALLERGEN NOTE: Milk, Egg, Gluten

INGREDIENTS

- 60 g Porridge oats
- 200 g Quark
- 50 g Whole egg
- 80 g Semi-skimmed milk
- 120 g Apple
- 3 g Baking powder
- 2 g Ground cinnamon

METHOD

1. Blend the oats or flour with the quark, egg, milk, baking powder and cinnamon to make a smooth batter.
2. Fold in or reserve the prepared Apple, according to preference.
3. Heat a non-stick frying pan over medium heat and add small rounds of batter.
4. Cook for 2–3 minutes until bubbles appear, turn, then cook for 1–2 minutes until set.
5. Serve with the reserved fruit and measured quark or peanut butter.

MEAL PREP

Cool cooked components within 2 hours and refrigerate at 5°C or below. Consume within 1 day. Reheat cooked fish or prawns only once until piping hot; keep cold salad components separate.

SERVING SUGGESTION

Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

BEST FRESH • **VEGETARIAN SWAP AVAILABLE**

ALLERGEN NOTE: Fish

PP-R058 / SIGNATURE RECIPE

INGREDIENTS

- 180 g Cod fillet
- 180 g Baby potatoes
- 100 g Courgette
- 80 g Red pepper
- 50 g Onion
- 5 g Olive oil
- 15 g Fresh lemon juice

METHOD

- Heat the oven to 200°C fan (220°C conventional) and line a large roasting tray.
- Cut the Baby potatoes and firm vegetables into even pieces, toss with half the oil and season, then roast for 15 minutes.
- Coat the Cod fillet with the remaining oil, garlic, herbs and sauce ingredients.
- Add the Cod fillet and Courgette and Red pepper to the tray and roast until the vegetables are tender and the protein is cooked through.
- Check poultry or pork reaches 75°C; fish should flake easily. Rest meat for 3–5 minutes before serving.

Turkey Spinach Lasagne Bowl

A practical, high-protein dinner designed for simple preparation and repeatable nutrition tracking.

CHEF'S TIP

With Lean turkey mince and Wholemeal lasagne sheets, cut the protein into even pieces and let the pan reheat before the next batch.

COMMON MISTAKE

For Lean turkey mince and Wholemeal lasagne sheets, avoid crowding the pan, which traps moisture and prevents proper browning.

INGREDIENT SWAP

Swap option for Lean turkey mince and Wholemeal lasagne sheets: use lean turkey, chicken or a plant-based mince in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate in sealed containers at 5°C or below for up to 3 days. Reheat once until piping hot throughout; keep dressings and raw salad separate.

SERVING SUGGESTION

Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

BEST FRESH • VEGETARIAN SWAP AVAILABLE

ALLERGEN NOTE: Milk

INGREDIENTS

- 180 g Lean turkey mince
- 70 g Wholemeal lasagne sheets
- 100 g Baby spinach
- 20 g Tomato purée
- 100 g Quark
- 5 g Garlic

METHOD

1. Heat the oven to 190°C fan (210°C conventional) and cook the pasta until just al dente; drain.
2. Cook the Lean turkey mince until browned and fully cooked, then add garlic, tomato purée or chopped tomatoes and spinach.
3. Stir through the Lean turkey mince, vegetables and quark, keeping the mixture creamy but not wet.
4. Transfer to a small baking dish, add the measured cheese if included, and bake for 18–25 minutes until bubbling.
5. Rest for 5 minutes before serving.

Moroccan Chickpea Beef Stew

A practical, high-protein dinner designed for simple preparation and repeatable nutrition tracking.

MEAL	TOTAL TIME	DIFFICULTY
Dinner	22 Min	Easy

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
421.0	50.4 g	32.5 g	11.9 g	14.0 g

CHEF'S TIP

With Lean beef and Chickpeas, drained, cut the protein into even pieces and let the pan reheat before the next batch.

COMMON MISTAKE

For Lean beef and Chickpeas, drained, avoid crowding the pan, which traps moisture and prevents proper browning.

INGREDIENT SWAP

Swap option for Lean beef and Chickpeas, drained: use lean turkey, chicken or a plant-based mince in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate in sealed containers at 5°C or below for up to 3 days. Reheat once until piping hot throughout; keep dressings and raw salad separate.

SERVING SUGGESTION

Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

FREEZER-FRIENDLY • **VEGETARIAN SWAP AVAILABLE**

ALLERGEN NOTE: No major allergens identified; check labels

PHOTO ASSET

PP-R060 / SIGNATURE RECIPE

INGREDIENTS

- 170 g Lean beef
- 120 g Chickpeas, drained
- 80 g Carrot
- 80 g Courgette
- 20 g Tomato purée
- 2 g Ground cumin
- 2 g Ground coriander

METHOD

1. Add the Ground cumin and Ground coriander and tomato purée, if listed, and cook for 30 seconds; add the Lean beef and cook until lightly coloured.
2. Stir in Chickpeas, drained and a splash of water; simmer gently for 12–18 minutes.
3. Add the Carrot and Courgette as needed and continue cooking until the vegetables are tender and the beef is cooked to preference.
4. Taste, adjust seasoning and serve.

Vanilla Quark, Pear & Walnut Breakfast Bowl

A practical, high-protein breakfast designed for simple preparation and repeatable nutrition tracking.

PHOTO ASSET

PP-R061 / SIGNATURE RECIPE

MEAL	TOTAL TIME	DIFFICULTY
Breakfast	25 Min	Easy

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
409.0	41.6 g	28.4 g	15.0 g	5.6 g

CHEF'S TIP
With Quark and Pear, flesh and skin, rest the mixture before serving so the grains hydrate and the texture becomes creamy.

COMMON MISTAKE
For Quark and Pear, flesh and skin, avoid guessing the toppings; weigh nuts, seeds and spreads because portions add up quickly.

INGREDIENT SWAP
Swap option for Quark and Pear, flesh and skin: swap quark, skyr or Greek-style yogurt by weight and recheck the nutrition label.

MEAL PREP
Prepare the components up to 1 day ahead and refrigerate at 5°C or below. Keep nuts, seeds and crumbs separate until serving.

SERVING SUGGESTION
Serve Vanilla Quark, Pear & Walnut Breakfast Bowl with water, tea or coffee and keep extra toppings measured.

BEST FRESH • VEGETARIAN
ALLERGEN NOTE: Milk, Peanuts / nuts

INGREDIENTS

- 250 g Quark
- 150 g Pear, flesh and skin
- 15 g Walnuts
- 10 g Pumpkin seeds
- 1 g Ground cinnamon
- 2 ml Vanilla extract

METHOD

- Spoon the quark or cottage cheese into a serving bowl and stir until smooth.
- Wash, dry and prepare the Pear, flesh and skin, then arrange it over the base.
- Add the measured oats, nuts and seeds.
- Finish with the cinnamon, honey or vanilla listed in the ingredients and serve.

Mediterranean Cottage Cheese & Red Pepper Toast

A practical, high-protein breakfast designed for simple preparation and repeatable nutrition tracking.

MEAL	TOTAL TIME	DIFFICULTY
Breakfast	25 Min	Easy

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
402.0	31.0 g	48.7 g	10.7 g	8.4 g

CHEF'S TIP
With Wholemeal bread and Reduced-fat cottage cheese, rest the mixture before serving so the grains hydrate and the texture becomes creamy.

COMMON MISTAKE
For Wholemeal bread and Reduced-fat cottage cheese, avoid guessing the toppings; weigh nuts, seeds and spreads because portions add up quickly.

INGREDIENT SWAP
Swap option for Wholemeal bread and Reduced-fat cottage cheese: swap quark, skyr or Greek-style yogurt by weight and recheck the nutrition label.

MEAL PREP
Cool cooked components within 2 hours and refrigerate at 5°C or below for up to 3 days. Reheat once until piping hot; keep fresh garnishes and dressings separate until serving.

SERVING SUGGESTION
Serve Mediterranean Cottage Cheese & Red Pepper Toast with water, tea or coffee and keep extra toppings measured.

BEST FRESH • VEGETARIAN
ALLERGEN NOTE: Milk, Gluten

PP-R062 / SIGNATURE RECIPE

INGREDIENTS

90 g Wholemeal bread
200 g Reduced-fat cottage cheese
80 g Red pepper
50 g Cucumber
5 g Fresh basil
5 g Olive oil

METHOD

1. Toast the bread or bagel, or warm the tortilla in a dry pan until pliable.
2. Mix the quark or cottage cheese with the measured herbs, lemon and seasoning ingredients.
3. Prepare the Red pepper and arrange it over the bread, bagel or tortilla with the protein filling.
4. Assemble securely, finish with the measured oil or seeds, and serve.

Kiwi Chia Protein Pudding

CHEF'S TIP

With Quark and Chia seeds, rest the mixture before serving so the grains hydrate and the texture becomes creamy.

COMMON MISTAKE

For Quark and Chia seeds, avoid guessing the toppings; weigh nuts, seeds and spreads because portions add up quickly.

INGREDIENT SWAP

Swap option for Quark and Chia seeds: swap quark, skyr or Greek-style yogurt by weight and recheck the nutrition label.

MEAL PREP

Prepare the night before and refrigerate in a sealed container at 5°C or below. Add crunchy toppings immediately before serving. Consume within 2 days.

SERVING SUGGESTION

Serve Kiwi Chia Protein Pudding with water, tea or coffee and keep extra toppings measured.

BEST FRESH • VEGETARIAN

ALLERGEN NOTE: Milk

INGREDIENTS

- 200 g Quark
- 20 g Chia seeds
- 120 g Semi-skimmed milk
- 120 g Kiwi fruit
- 10 g Pumpkin seeds

METHOD

1. Whisk the quark and milk until smooth, then stir in the chia seeds.
2. Cover and refrigerate for at least 4 hours, stirring once after 15 minutes to prevent clumps.
3. Prepare the Kiwi fruit and spoon it over the set pudding.
4. Finish with the measured seeds and serve chilled.

Smoked Mackerel Wholemeal Toast

A practical, high-protein breakfast designed for simple preparation and repeatable nutrition tracking.

MEAL	TOTAL TIME	DIFFICULTY
Breakfast	25 Min	Easy

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE

MEAL	TOTAL TIME	DIFFICULTY
Breakfast	12 Min	Moderate

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
520.0	41.2 g	77.0 g	7.4 g	3.8 g

CHEF'S TIP
With Buckwheat flour and Quark, rest the mixture before serving so the grains hydrate and the texture becomes creamy.

COMMON MISTAKE
For Buckwheat flour and Quark, avoid guessing the toppings; weigh nuts, seeds and spreads because portions add up quickly.

INGREDIENT SWAP
Swap option for Buckwheat flour and Quark: swap quark, skyr or Greek-style yogurt by weight and recheck the nutrition label.

MEAL PREP
Cool completely within 2 hours, cover and refrigerate at 5°C or below for up to 2 days. Reheat once until piping hot, or serve chilled where appropriate.

SERVING SUGGESTION
Serve High-Protein Buckwheat Apple Pancakes with water, tea or coffee and keep extra toppings measured.

BEST FRESH • VEGETARIAN

ALLERGEN NOTE: Milk, Egg

INGREDIENTS

- 60 g Buckwheat flour
- 180 g Quark
- 50 g Whole egg
- 80 g Semi-skimmed milk
- 120 g Apple, flesh and skin
- 3 g Baking powder
- 2 g Ground cinnamon

METHOD

- Blend the oats or flour with the quark, egg, milk, baking powder and cinnamon to make a smooth batter.
- Fold in or reserve the prepared Apple, flesh and skin, according to preference.
- Heat a non-stick frying pan over medium heat and add small rounds of batter.
- Cook for 2–3 minutes until bubbles appear, turn, then cook for 1–2 minutes until set.
- Serve with the reserved fruit and measured quark or peanut butter.

Garlic Prawn & Quinoa Bowl

CHEF'S TIP
With King prawns and Quinoa, pat the seafood dry before seasoning so it colours cleanly instead of steaming.

COMMON MISTAKE
For King prawns and Quinoa, avoid overcooking seafood; remove it as soon as it is opaque and flakes easily.

INGREDIENT SWAP
Swap option for King prawns and Quinoa: use another firm fish or seafood option in the same measured quantity.

MEAL PREP
Cool cooked components within 2 hours and refrigerate at 5°C or below. Consume within 1 day. Reheat cooked fish or prawns only once until piping hot; keep cold salad components separate.

SERVING SUGGESTION
Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

BEST FRESH • VEGETARIAN SWAP AVAILABLE

ALLERGEN NOTE: Crustaceans

PP-R066 / SIGNATURE RECIPE

INGREDIENTS

- 180 g King prawns
- 70 g Quinoa
- 80 g Courgette
- 100 g Cherry tomatoes
- 50 g Baby spinach
- 5 g Garlic
- 5 g Extra virgin olive oil
- 15 g Fresh lemon juice

METHOD

- Cook the Quinoa according to the packet instructions; drain well and allow it to steam-dry.
- Season the King prawns with the measured garlic, herbs or sauce ingredients.
- Cook the King prawns in a hot non-stick pan until opaque, piping hot and cooked through.
- Prepare the Courgette, Cherry tomatoes and Baby spinach; cook firm vegetables until tender-crisp and leave salad vegetables raw.
- Combine the grain and vegetables with the measured lemon, soy sauce or oil dressing.
- Slice or flake the protein, arrange over the bowl or salad, add cheese, nuts or seeds, and serve.

Moroccan Lentil & Roasted Vegetable Bowl

CHEF'S TIP

With Cooked green lentils and Butternut squash, build flavour in layers: brown the base ingredients before adding liquid or sauce.

COMMON MISTAKE

For Cooked green lentils and Butternut squash, avoid adding everything at once, which leaves the vegetables soft and the flavour flat.

INGREDIENT SWAP

Swap option for Cooked green lentils and Butternut squash: exchange lentils, chickpeas, beans or firm tofu gram for gram where practical.

MEAL PREP

Cool cooked components within 2 hours and refrigerate at 5°C or below for up to 3 days. Reheat once until piping hot; keep fresh garnishes and dressings separate until serving.

SERVING SUGGESTION

Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

BEST FRESH • VEGETARIAN

ALLERGEN NOTE: No major allergens identified; check labels

INGREDIENTS

- 180 g Cooked green lentils
- 120 g Butternut squash
- 80 g Courgette
- 50 g Red onion
- 5 g Olive oil
- 2 g Ground cumin
- 2 g Ground coriander
- 10 g Fresh parsley

METHOD

1. Cook the grain or potatoes according to the packet instructions, or roast/boil until tender.
2. Pat the main protein dry and season with the measured garlic, herbs, mustard, lemon or other flavourings.
3. Heat the oil in a non-stick pan and cook the main protein until browned and safely cooked; poultry and pork must reach 75°C, while fish should flake easily.
4. Steam, sauté or roast the Butternut squash and Courgette until tender-crisp.
5. Rest meat for 3–5 minutes where appropriate, then plate with the vegetables and starch and spoon over any pan juices.

Turkey & Barley Mediterranean Salad

PP-R074 / SIGNATURE RECIPE

INGREDIENTS

180 g Lean turkey mince
120 g Chickpeas, drained
200 g Chopped tomatoes
80 g Courgette
50 g Onion
5 g Garlic
2 g Smoked paprika
5 g Olive oil

METHOD

1. Heat a deep pan over medium heat and soften the Onion and Garlic for 3–4 minutes, using the measured oil or a splash of water.
2. Add the Smoked paprika and tomato purée, if listed, and cook for 30 seconds; add the Lean turkey mince and cook until lightly coloured.
3. Stir in Chickpeas, drained and Chopped tomatoes; simmer gently for 12–18 minutes.
4. Add the Chopped tomatoes and Courgette as needed and continue cooking until the vegetables are tender and the poultry reaches 75°C.
5. Taste, adjust seasoning and serve.

Herb Pork Fillet with Roasted Beetroot

A practical, high-protein dinner designed for simple preparation and repeatable nutrition tracking.

16.8 g

FIBRE

8.5 g

CHEF'S TIP

With Pork tenderloin and Beetroot, cut the protein into even pieces and let the pan reheat before the next batch.

COMMON MISTAKE

For Pork tenderloin and Beetroot, avoid crowding the pan, which traps moisture and prevents proper browning.

INGREDIENT SWAP

Swap option for Pork tenderloin and Beetroot: use lean turkey, chicken or a plant-based mince in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate in sealed containers at 5°C or below for up to 3 days. Reheat once until piping hot throughout; keep dressings and raw salad separate.

SERVING SUGGESTION

Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

BEST FRESH • VEGETARIAN SWAP AVAILABLE

ALLERGEN NOTE: Mustard

INGREDIENTS

- 180 g Pork tenderloin
- 180 g Beetroot
- 120 g Green beans
- 5 g Olive oil
- 10 g Dijon mustard
- 5 g Garlic
- 5 g Fresh thyme

METHOD

- Heat the oven to 200°C fan (220°C conventional) and line a large roasting tray.
- Cut the grain or potatoes and firm vegetables into even pieces, toss with half the oil and season, then roast for 15 minutes.
- Coat the Pork tenderloin with the remaining oil, garlic, herbs and sauce ingredients.
- Add the Pork tenderloin and Beetroot and Green beans to the tray and roast until the vegetables are tender and the protein is cooked through.
- Check poultry or pork reaches 75°C; fish should flake easily. Rest meat for 3–5 minutes before serving.

Mediterranean Aubergine & Lentil Bake

A practical, high-protein dinner designed for simple preparation and repeatable nutrition tracking.

MEAL	TOTAL TIME	DIFFICULTY
Dinner	18 Min	Moderate

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
452.0	23.8 g	39.7 g	14.3 g	13.8 g

CHEF'S TIP

With Cooked green lentils and Aubergine, build flavour in layers: brown the base ingredients before adding liquid or sauce.

COMMON MISTAKE

For Cooked green lentils and Aubergine, avoid adding everything at once, which leaves the vegetables soft and the flavour flat.

INGREDIENT SWAP

Swap option for Cooked green lentils and Aubergine: exchange lentils, chickpeas, beans or firm tofu gram for gram where practical.

MEAL PREP

Cool cooked components within 2 hours and refrigerate at 5°C or below for up to 3 days. Reheat once until piping hot; keep fresh garnishes and dressings separate until serving.

SERVING SUGGESTION

Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

FREEZER-FRIENDLY • VEGETARIAN

ALLERGEN NOTE: No major allergens identified; check labels

PP-R076 / SIGNATURE RECIPE

INGREDIENTS

180 g Cooked green lentils
180 g Aubergine
150 g Cherry tomatoes
50 g Red onion
30 g Feta
5 g Extra virgin olive oil
5 g Garlic
2 g Dried oregano

METHOD

1. Cook the grain or potatoes according to the packet instructions, or roast/boil until tender.
2. Pat the main protein dry and season with the measured garlic, herbs, mustard, lemon or other flavourings.
3. Heat the oil in a non-stick pan and cook the main protein until browned and safely cooked; poultry and pork must reach 75°C, while fish should flake easily.
4. Steam, sauté or roast the Aubergine and Cherry tomatoes until tender-crisp.
5. Rest meat for 3–5 minutes where appropriate, then plate with the vegetables and starch and spoon over any pan juices.

Ginger Salmon with Pak Choi

CHEF'S TIP

With Salmon fillet and Jasmine rice, pat the seafood dry before seasoning so it colours cleanly instead of steaming.

COMMON MISTAKE

For Salmon fillet and Jasmine rice, avoid overcooking seafood; remove it as soon as it is opaque and flakes easily.

INGREDIENT SWAP

Swap option for Salmon fillet and Jasmine rice: use another firm fish or seafood option in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate at 5°C or below. Consume within 1 day. Reheat cooked fish or prawns only once until piping hot; keep cold salad components separate.

SERVING SUGGESTION

Finish with fresh herbs or lemon and add a generous side of non-starchy vegetables.

BEST FRESH • VEGETARIAN SWAP AVAILABLE

ALLERGEN NOTE: Fish, Soya, Sesame

INGREDIENTS

- 170 g Salmon fillet
- 70 g Jasmine rice
- 150 g Pak choi
- 10 g Fresh ginger
- 5 g Garlic
- 15 g Soy sauce
- 5 g Sesame oil

METHOD

1. Cook the Jasmine rice according to the packet instructions, or roast/boil until tender.
2. Pat the Salmon fillet dry and season with the measured garlic, herbs, mustard, lemon or other flavourings.
3. Heat the oil in a non-stick pan and cook the Salmon fillet until browned and safely cooked; poultry and pork must reach 75°C, while fish should flake easily.
4. Steam, sauté or roast the Pak choi until tender-crisp.
5. Rest meat for 3–5 minutes where appropriate, then plate with the vegetables and starch and spoon over any pan juices.

Beef & Mushroom Barley Skillet

A practical, high-protein dinner designed for simple preparation and repeatable nutrition tracking.

MEAL	TOTAL TIME	DIFFICULTY
Dinner	13 Min	Moderate

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
563.0	52.7 g	48.6 g	14.8 g	7.2 g

CHEF'S TIP

With Lean beef strips and Pearl barley, cut the protein into even pieces and let the pan reheat before the next batch.

COMMON MISTAKE

For Lean beef strips and Pearl barley, avoid crowding the pan, which traps moisture and prevents proper browning.

INGREDIENT SWAP

Swap option for Lean beef strips and Pearl barley: use lean turkey, chicken or a plant-based mince in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate in sealed containers at 5°C or below for up to 3 days. Reheat once until piping hot throughout; keep dressings and raw salad separate.

SERVING SUGGESTION

Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

PP-R078 / SIGNATURE RECIPE

INGREDIENTS

- 180 g Lean beef strips
- 70 g Pearl barley
- 150 g Mushrooms
- 50 g Onion
- 5 g Garlic
- 80 g Quark
- 10 g Fresh parsley

METHOD

1. Cook the Pearl barley according to the packet instructions, or roast/boil until tender.
2. Pat the Lean beef strips dry and season with the measured garlic, herbs, mustard, lemon or other flavourings.
3. Heat the oil in a non-stick pan and cook the Lean beef strips until browned and safely cooked; poultry and pork must reach 75°C, while fish should flake easily.
4. Steam, sauté or roast the Mushrooms until tender-crisp.
5. Rest meat for 3–5 minutes where appropriate, then plate with the vegetables and starch and spoon over any pan juices.

FREEZER-FRIENDLY • VEGETARIAN

ALLERGEN NOTE: Milk

INGREDIENTS

- 200 g Cauliflower
- 150 g Butter beans, drained
- 120 g Light coconut milk
- 50 g Onion
- 5 g Garlic
- 10 g Fresh ginger
- 5 g Curry powder
- 70 g Brown basmati rice

METHOD

1. Cook the Brown basmati rice according to the packet instructions and keep warm.
2. Heat a deep pan over medium heat and soften the Onion, Garlic and Fresh ginger for 3–4 minutes, using the measured oil or a splash of water.
3. Add the Curry powder and tomato purée, if listed, and cook for 30 seconds; add the main protein and cook until lightly coloured.
4. Stir in Butter beans, drained and Light coconut milk; simmer gently for 12–18 minutes.
5. Add the Cauliflower as needed and continue cooking until the vegetables are tender but retain some texture.
6. Taste, adjust seasoning and serve with the cooked grain.

Luxury Surf & Turf Protein Bowl

A practical, high-protein dinner designed for simple preparation and repeatable nutrition tracking.

MEAL	TOTAL TIME	DIFFICULTY
Dinner	20 Min	Moderate

NUTRITION PER SERVING

KCAL	PROTEIN	CARBS	FAT	FIBRE
558.0	47.8 g	37.5 g	19.4 g	7.0 g

CHEF'S TIP

With Lean beef steak and King prawns, pat the seafood dry before seasoning so it colours cleanly instead of steaming.

COMMON MISTAKE

For Lean beef steak and King prawns, avoid overcooking seafood; remove it as soon as it is opaque and flakes easily.

INGREDIENT SWAP

Swap option for Lean beef steak and King prawns: use another firm fish or seafood option in the same measured quantity.

MEAL PREP

Cool cooked components within 2 hours and refrigerate at 5°C or below. Consume within 1 day. Reheat cooked fish or prawns only once until piping hot; keep cold salad components separate.

SERVING SUGGESTION

Plate with crisp seasonal vegetables and a squeeze of lemon for freshness.

BEST FRESH • **VEGETARIAN SWAP AVAILABLE**

ALLERGEN NOTE: Crustaceans

PP-R080 / SIGNATURE RECIPE

INGREDIENTS

- 120 g Lean beef steak
- 100 g King prawns
- 70 g Quinoa
- 120 g Asparagus
- 100 g Cherry tomatoes
- 5 g Extra virgin olive oil
- 10 g Fresh parsley
- 15 g Fresh lemon juice

METHOD

- Cook the quinoa according to the packet instructions; drain and keep warm.
- Season the steak and sear in a hot pan to the preferred doneness; transfer to a board and rest for 5 minutes.
- In the same pan, cook the asparagus and tomatoes with half the oil until tender-crisp.
- Add the prawns, remaining oil and lemon and cook for 2–3 minutes until pink, opaque and piping hot.
- Slice the steak and arrange it with the prawns, vegetables and quinoa; finish with parsley.

Frequently Asked Questions

Do I need to eat every recipe?

No. The plan is a structured menu, not a rulebook. Swap within breakfast, lunch or dinner and keep portions consistent.

What if hunger is high?

Check sleep, hydration, meal timing and fibre. Add non-starchy vegetables or discuss individual needs with a qualified professional.

Can I batch cook?

Yes. Follow each Meal Prep card, cool cooked food promptly, refrigerate at 5°C or below and reheat only as directed.

What if weight stalls?

Compare weekly averages for at least two consistent weeks, then review adherence and portions before changing the plan.

How do swaps affect nutrition?

Ingredient swaps are practical alternatives, not nutrition-equivalent guarantees. Recalculate nutrition when accuracy matters.

How should allergens be used?

Allergen notes are screening aids only. Always check packaging and avoid cross-contamination according to your needs.
